

Path towards Vision 2030 Document

With the start of the new decade, drafting of Vision 2030 document has been initiated by a committee constituted as per Order No./NITRR/DIR/S-1/2020/042, Dated: 17/08/2020.

The committee decided upon the procedure to prepare the draft Vision 2030 document for NIT Raipur. A basic structure of the document was decided, which consists of Vision and Mission statement, Core values, Objectives to attain the Mission and Vision of the institute and finally a roadmap to attain these objectives.

In this regard, Questionnaires were framed to receive feedback from various stakeholders (faculty, staff, alumni and students).

A total of 870 responses were collected through online survey. From a total of 870 respondents, 215 were B. Tech. students, 46 were M. Tech. students, 36 were Ph. D. students, 64 were faculty, 35 were staff and 474 were alumni. The questionnaire had both quantitative and open-ended questions. The survey included questions related to their association with NIT Raipur and questions pertaining to the vision mission document.

Based on the feedback received the attainment of objectives in previous Vision 2020 document were also analyzed and included in the Vision 2030 document. SWOT analysis was also carried out to identify the various actionable points to be pursued in different domains such as UG PG education, Research and Consultancy etc. Ten different domains along with the actionable points are listed therein.

The draft Vision 2030 document is uploaded in the institute website and your suggestions are invited through mail to deanfw@nitrr.ac.in.
