**International Conference on
Current trends in
Computational Mechanics
[ICCCM – 2021]
19th and 20th March 2021**

**Organized by
Mechanical Engineering
Department**

**National Institute of Technology
Raipur,
GE Road
Raipur-492010. Chhattisgarh India**

About the Institute:

National Institute of Technology Raipur situated in the capital of Chhattisgarh, has proven to be 'avant-grade' in the field of science and technology over past few decades in this region. With sweet memory of foundation by our first president Hon'ble Dr. Rajendra Prasad on 14th September 1956, the institute started with two departments namely Metallurgical and Mining Engineering. Later the inauguration of the Institute building was done by our first Prime Minister Hon'ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the institute has become the National Institute of Technology. It is well connected with Mumbai, Delhi and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The institute is 5 km from the Raipur railways station and 18 km from airport on NH-6, the Great Eastern Road.

About Mechanical Engineering Department:

Mechanical Engineering Department was established in 1958 as part of GEC Raipur and is now a part of NIT Raipur since 2005. The Department offers an undergraduate program (B. Tech.) as well as Postgraduate programmes (M. Tech.) with specializations in Thermal Engineering, Machine Design and Industrial Engineering and Management. It is one of the largest departments in the institute with an intake of 106 students in undergraduate program and 47 students in post graduate Program. Department also offers Ph.D. program since 2010 in all relevant disciplines of Mechanical Engineering including Design, Production, Thermal and Industrial Engineering and Management.

Objectives and Scope:

The objective of this conference is to ensemble experts and students working in varied domains of computational mechanics. This conference also entails keynote lectures by distinguished experts in the field of Computational Solid and Fluid Mechanics. Selected papers will be published in Scopus indexed journals.

Conference Themes:

- Computational Solid Mechanics
- Computational Material Science
- Fracture Mechanics
- Composites and Composite Mechanics.
- Computational Fluid Mechanics
- Computational Heat Transfer
- Multiphase Flow
- Any other topic of relevance.

Targeted Participants:

- Students and research scholars
- Academicians and R & D professional
- Industry personnel

Accommodation:

Accommodation may be provided on payment basis subject to availability in institute hostels of NIT Raipur provided request is made in the registration form.

Venue:

**Mechanical Engineering Department
NIT Raipur (CG) – 492 010, INDIA**

Important Dates:

Full length paper submission deadline:

25/02/2021

Early bird registration opens on: **25/02/2021**

Communication of acceptance with comments: **03/03/2021**

Communication of Corrected full paper:

11/03/2021

Early bird registration closes on **15/03/2021**

Registration Fee Details:

Participants	National	International
Students & Research Scholars, Academician, R & D professionals, Industry personnel	INR 1000/-	\$ 50 (USD)
Additional charges for late and spot registrations	INR 500/-	\$ 20 (USD)

SAARC participants have 50% off in registration & late fee on the international participations fee as mentioned above.

- Registration fee is non-refundable.
- E-Certificates of participation will be issued to the participants after the conclusion of the conference.
- No TA/DA is admissible for participants.

Charges of publications of the accepted papers in the reputed journals/book chapters will have to be borne by the participants – and will have to be paid directly to the journals/publishers.
