About NIT Raipur

National Institute of Technology Raipur situated in the capital of Chhattisgarh, has proven to be 'avant-grade' in the field of science and technology over the past few decades in this region. With sweet memory of the Foundation Ceremony by our first President Hon'ble Dr. Rajendra Prasad on 14th September 1956, the Institute started as Govt. Engg. College Raipur with two Departments namely, Metallurgical Engineering and Mining Engineering. Later, the Institute Building was inaugurated by our first Prime Minister Hon'ble Pt. Jawahar Lal Nehru on 14th March 1963. From 1st December 2005, the Institute became the National Institute of Technology (Institute of National Importance). It is well connected with Mumbai, Delhi, and all metro cities by regular flights and is on the main Howrah-Mumbai railway route. The Institute is 5 km from the Raipur Railway Station and 18 km from the airport on the G E Road, Raipur.
