“Drama is an exposure, confrontation, and contradiction and it leads to analysis, construction, recognition and eventually to an awakening of understanding.”

ABHINAY- THE DRAMATICS CLUB portrays society through art. We perform street plays, stage dramas, sketches, poems, etc. Abhinay gives students a platform to showcase their talent and also works on polishing their skills. It is a disciplined as well as a well-mentored club. Here, people express themselves and shape their personalities and gain confidence. Club members are exposed to different aspects of theatre including impromptu skits, monologues, playwriting, dialogue delivery, building character, stage presence, etc. Here they learn to work as a team and groom their personality which helps them in their future endeavours.
