Ever since its foundation in 2016, Nrityam – the Dance Club of the college has been functioning very actively to increase the level of various dance forms in the college. Nrityam works with the objective of promoting dance on different platforms. It considers dance important, as it helps our cultural heritage to sustain and adopt change. Also, it instills confidence and improves the personality of an individual. Therefore, the club encourages the budding dancers and provides them with the best stages. Further, we ensure that students take dance as a break from regular routines, groove to the beats, and feel refreshed after a hectic day.

Grand Garba event
