SHAURYA

THE SPORTS COMMITTEE

Zeal is like a determined image of relentless flying in the confident eyes of an infancy bird. You can bind it for a moment but certainly it can never be tied into shackles for a lifetime. Sports Committee NIT Raipur is a similar story of unending zeal and sports enthusiasm pulsating in the veins of its sophomores.

Students with proven technical credentials unite with a common aim to nurture the sportsman inside every one of us to give a platform where quality of sportsmanship can be woven in each one of us. Shaurya has been at the helm of conducting all the sports activities in the institute. The committee organizes events Samar(the annual sports fest), Inter-branch tournaments, etc. The committee also helps in proper structuring and formation of teams which represent NIT Raipur in national level sports fest including Inter-NIT Sports meet. The committee has been instrumental in conducting sporadic practice sessions and fostering proper sports environment in the institution. We with umpteen trophies and acknowledgements can very proudly say that we have a very competent team in sports like Cricket, Football, Volleyball, Badminton, Basketball, Chess, Kho-Kho, Handball, Athletics and TT.
