

SAHYOG - The Mentorship Club

NIT Raipur

**Professor I/C,
SAHYOG-The Mentorship Club.**

Name: Dr Ravi K. Jade
Contact: 7869481022
E-mail: rjade.min@nitrr.ac.in

“It takes an adult 7 days to 7 weeks to make an impact on a student’s life, but it takes 7 seconds to 7 minutes for another student of their age or slightly older to make a difference.”

-Anonymous

SAHYOG is a student body of NIT Raipur, with the primary objective of providing constructive and positive interaction, guidance to student community, and it also serves as the bridge between the students and counselling cell.

Mentoring is a particular form of relationship designed to provide personal and professional support to an individual. The mentoring relationship provides a developmental opportunity for both parties and can thus be of mutual benefit.

In a nutshell, a student mentor’s role may be perceived to be facilitative, supportive and developmental for the student community in general and the first year students in particular.

Books distribution among the juniors as a part of Green Library.

Green Library:

- Green Library is a new step by Sahyog-The Mentorship Club and We Care-The Green Movement. As a part of this event, the textbooks donated by the passing out students will be kept safe and distributed among the freshers, so that they will not have to face much problems in their first year in the Institute.

DATE: 13 August, 2017 and 14th August, 2017.

Classes being taken by senior student.

Extra Classes by Senior Students:

- Keeping in view the needs supporting the students in their academics, and especially towards improving the students academic performance, Sahyog-The Mentorship Club organised extra teaching-learning sessions where the classes were taken by the senior students on the subjects which were considered difficult.

Team Sahyog at the Blood Donation Camp.

BLOOD DONATION CAMP:

- Believing the quote- “Donating blood means a few minutes to you, but a life for somebody else”, Sahyog-The Mentorship Club organised the Blood Donation Camp in collaboration with The Red Cross Society, Raipur so that all the interested students and the faculty members could all impart a life to somebody else.

Date: 31st October, 2017.

Camp.

Expert Talk session on UPSC

Expert Talk:

- For GATE and UPSC aspirants, expert talk sessions were conducted so that students can have a proper idea and the aspirants who had any kind of doubts regarding their respective exams can get them clarified and reach closer to their goals.

Date: 16th January, 2018 and 17th January, 2018.

Mock Placement Session:

- Mock Placement Session was conducted to make sure all the students of the Institute could get acquainted with the placement process and will not have to face any difficulties during their

Students in the
Group Discussion Round.

placement process in the final year of their study. The session consisted of 4 rounds as that in the placement process and benefitted a lot of students. Alumni and Industry Professionals were invited as the Board of Experts and Interviewers during the entire process.

Date: 6th, 7th, 8th April 2018.

Students in the Personal Interview Round.
