

## Achievement/ Award of the Students:

### 1. Medal Recipients based on the Merit List for M.Tech. Program in Water Resources Development & Irrigation Engineering, Department of Civil Engineering, NIT Raipur:

Batch: 2016-18				
S. No.	Name of Student	Course	Program	Medal
1.	Champat Lal Dewangan	M.Tech.	WRD & IE	Gold
2.	Rosa Velloso Lyngwa	M.Tech.	WRD & IE	Silver
Batch: 2015-17				
S. No.	Name of Student	Course	Program	Medal
1.	Mohammed Azharuddin	M.Tech.	WRD & IE	Gold
2.	Shubham Saxena	M.Tech.	WRD & IE	Silver
Batch: 2014-16				
S. No.	Name of Student	Course	Program	Medal
1.	Nadella Anusha	M.Tech.	WRD & IE	Gold
2.	Shailendra Sahu	M.Tech.	WRD & IE	Silver
Batch: 2013-15				
S. No.	Name of Student	Course	Program	Medal
1.	Elamuhil S	M.Tech.	WRD & IE	Gold
2.	Sandeep Soni	M.Tech.	WRD & IE	Silver
Batch: 2012-14				
S. No.	Name of Student	Course	Program	Medal
1.	Manish Kumar Sinha	M.Tech.	WRD & IE	Gold
2.	Preeti Rajput	M.Tech.	WRD & IE	Silver

### 2. Students are regularly participating in Chhattisgarh Young Scientist Congress and had received the title of "Chhattisgarh Young Scientist" for various years as mentioned below:

Year- 2019				
S. No.	Subject Area	Title of Research Paper	Name of Awardee	Department
1.	Civil and Architecture Engineering	Efficient storm water management and rain water harvesting system: A case study in Raipur airport.	Digeshwar Prasad Sahu	National Institute of Technology, Raipur
Year- 2018				
S. No.	Subject Area	Title of Research Paper	Name of Awardee	Department
1.	Civil and Architecture Engineering	Ground water potential zone mapping of Arpa	Yash Duggad	Dept. of Civil Engineering, National Institute

		river basin using RS & GIS		of Technology, Raipur (C.G.)
<b>Year- 2017</b>				
<b>S. No.</b>	<b>Subject Area</b>	<b>Title of Research Paper</b>	<b>Name of Awardee</b>	<b>Department</b>
1.	Civil and Architecture Engineering	Coupled Hydrologic and Hydraulic Model for Planning Flood Mitigation Measures in Taga Village, Janjgir Champa District, Chhattisgarh	Triambak Baghel	Dept. of Civil Engineering, National Institute of Technology, Raipur (C.G.)
2.	Civil and Architecture Engineering	Impact of LULC change on surface runoff using L-THIA model: A case study of Kharun river sub-basin of Chhattisgarh State	Sandeep Soni (Young Scientist Award- Second)	Dept. of Civil Engineering, National Institute of Technology, Raipur (C.G.)
3.	Earth and Atmospheric Sciences	Intrinsic Groundwater Vulnerability Assessment using a Composite Model Combining drasti with Extensive Land use in Kharun Basin, Chhattisgarh	Manish Kumar Sinha	Dept. of Civil Engineering, National Institute of Technology, Raipur (C.G.)
