Third Party RTI Audit Summary Report of National Institute of Technology, Raipur

In accordance with the directives of the **Central Information Commissioner (CIC)** and the **Department of Personnel & Training (DoPT)** outlined in OM No. 1/6/2011-IR dated 15.04.2013 and OM No. 1/34/2013-IR dated 30.06.2016, every Public Authority is required to **conduct an annual third-party audit** of its proactive disclosure package. This audit must be carried out by the designated training institutes associated with each Public Authority and subsequently submitted to the **Central Information Commission**.

The Indian Rubber Materials Research Institute conducted a **Third-Party Audit** of the **Proactive Disclosure** of **National Institute of Technology, Raipur** under the RTI Act, 2005 from **24 to 25 July, 2025**. This assessment followed the Guidelines on suo motu disclosure under Section 4 of the RTI Act issued by the **Government of India, Ministry of Personnel, Public Grievances & Pensions, Department of Personnel & Training (DoPT)**. The audit adhered to the **Standard Operating Procedure** outlined for third-party audits on suo motu disclosures (**Para 4.4 & 4.5 of DoPT's OM No. 1/6/2011-IR dated 15.04.2013 & Para 6 of DoPT's OM No. 1/34/2013-IR dated 30.06.2016**).

Objectives of the Audit:

The audit aimed to **evaluate compliance** with the Guidelines on suo motu disclosure under **Section 4** of the RTI Act and assess the **effectiveness of its implementation and control mechanisms**. Specifically, the evaluation examined the **Self-Appraisal Report of National Institute of Technology, Raipur for 2024-25** and its official website (<https://nitrr.ac.in>) to ensure adherence to prescribed guidelines for **Central Government Ministries & Departments**, including:

- **Expanding suo motu disclosure** under Section 4.
- **Guidelines for digital publication** of proactive disclosures.
- **Detailed disclosure compliance** with Sections **4(1)(b)(iii), 4(1)(b)(iv), 4(1)(b)(xi), and 4(1)(b)(xiv)**.
- **Establishment of a structured compliance mechanism** for proactive disclosure under the RTI Act, 2005.

Key Parameters Assessed During the Audit:

1. **Organization and Functions**
2. **Budget and Programme**
3. **Publicity and Public Interface**
4. **E-Governance**
5. **Prescribed Information Disclosure**
6. **Proactive Information Disclosure (Self-Initiated)**

This audit plays a crucial role in enhancing **transparency, accountability, and public accessibility** of information, ensuring that proactive disclosures align with government-mandated guidelines.

Key Findings and Priority Recommendations

We commend the **National Institute of Technology, Raipur** for its commitment to transparency by making essential information accessible on its website. However, the audit has highlighted areas that require **greater clarity and comprehensive disclosure**, including:

1. Enhancing the prominence of information under **Section 4(b) of the RTI Act**.
2. **Conducting regular programs to promote awareness and understanding of the RTI Act**.
3. Regularly updating and publishing **Gross monthly remuneration** and compensation details of employees—at least once every six months.

4. Expanding details under the **Citizen's Charter, Result Framework Document (RFD), and six-monthly performance reports.**
5. Adhering to the **Guidelines for Indian Government Websites (Version 2.0)** and ensuring STQC certification is obtained and displayed.
6. Clearly **displaying the last update date** for each webpage in **DD/MM/YY format.**

IRMRI would like to share positive feedback that in future all the required information/urls/links may be posted on website to meet the Transparency Audit Metrix.
